May 17, 2022

To all students who wish to take  
MECH 497 Value Engineering Workshop  
in the next winter semester

Ladies and Gentlemen:

1. This year registration opens on 22-05-25.
2. Contact Ms. Panaritis <[ugrad.mecheng@mcgill.ca](mailto:ugrad.mecheng@mcgill.ca)>
3. State your full name, student number and intention to take VE.
4. You should be in U3 and prepared to graduate in the next 12 months or so.
5. You should have completed MECH 393 Design 2: Machine Element Design (3 credits) but exception may be granted. You should also have completed most of your required courses.

Sincerely,

A handwritten signature in black ink, appearing to read 'P.J. Zsombor-Murray'. The signature is written in a cursive style with a large, circular initial 'P' and a long, sweeping tail that ends in a sharp hook.

P.J. Zsombor-Murray (Paul)  
Associate Professor of Mechanical Engineering (post-retirement)
