

# MECH 572 Introduction to Robotics

## Fall 2011

### Schedule of Assignments—Revised on September 26, 2011

All problems in the list below are to be found in the textbook. **Assignments are to be handed in during the lecture time the day in which the assignment is due.**

Solutions will be posted on <http://www.cim.mcgill.ca/~rmsl/Index.htm> the day the assignment is due. **Late submissions will thus not be accepted!**

- |   |                         |
|---|-------------------------|
